Station Coimbatore , Dated the 28th February 1929 192

From (Name) E. F. Thomas, Esq., C. I. E., I. C. S.,

(Designation) Collector of Coimbatore.

To The Secretary to the Government Commissioners of Land Revenue

and Set Madras

Department

Basuvaswaraswami temple in Kannur village,
Kollegal Taluk is in disrepair but service is rendered
properly to the ~~an~~ idol which was removed about 15
years ago to the private temple of the inamdar. The
building now in ruins is in the midst of Muhammadan
quarters and opposite to their temple. The present
inamdars are not willing to repair the ruined building.
The revenue divisional officer has therefore recommended
the resumption of the inam

The extract from the inam register (enclosed)
shows that the inam was confirmed permanently to the pagoda
so long as it is well kept up. The temple to which the
idol was removed is in good condition and puja is regularly

performed to the idol kept there.. So long as service
is rendered properly I think no interference seems necessary.
As there is no definite ruling in cases of this kind I
request the orders of the Board.

K. 2093/28 - 1/2 p 1-4 C.F.

To A.S. (d.R.)

Please see the Coll's letter at
1/2 p 1-2 C.F. The temple for which the
wiam was granted is in disrepair and
the present wiamdars are not willing
to repair the building. The idol was
however, carried away from the temple
and kept in another private temple
of the wiamdar and services are
being performed. The R.D.C. recommend
the resumption of the wiam. The Coll.
considers that no interference is
necessary so long as the services are
continued. But as there are no defined
rules in the matter he en solicits the
orders of the Board.

The wiam was confirmed
permanently to the pagoda so long
as it is well kept up. As the temple
has been allowed to fall in ruins it
cannot be said maintained that the

the conditions of the grant ^{is} fulfilled.

The idol has ~~been~~, however, been moved to another temple and the rites are properly performed.

a similar case where the whole village had to be vacated being malarial and consequently the idols had also to be shifted to the place where to which the villagers went the Board allowed the ~~condition~~ continuance of the man. - vide the

Notes at p 1 N.F. of ~~2017~~ and the orders in O.B. 2017 No. 8 22.6.28.

(J)

The circumstances in the case at (J)

were different from those of the present case in that ~~the~~ the shifting of the idols in the former case was due to causes beyond the control of the mandar.

That is not ~~not~~ the ^{reason} ~~case~~ in the present ~~question~~ case. There is

~~however one redeeming feature~~

~~of that~~ The old temple is situated

in the midst of Muhammadan

settlements and is opposite to their

temple. It is subd. that the temple

the idol in its present place

perhaps serve the purpose

of worshippers better ~~as it~~ than the

old temple in the midst of the ~~temple~~ ^{quarters}
~~its present place~~ If in view of the
and ~~in view~~ of the facts that
the service is properly kept up.
and that the man has been
continued for about 15 years
after the removal of the idol
to its present place the Board
would allow the continuance
of the man. The Com^{rs} may be
requested to report whether the
vandal allows the people of the
village in general to worship the
dol which has been removed
to his private temple.
